

**Your Journey
with CAMS
Starts Here!**

DISCOVERY

- Collect information about your community
- Identify community needs and goals
- Meet to discuss and align expectations

ONBOARDING

- Initiate CAMS Welcome Aboard process to manage a smooth transition
- Gather and review accounting information, resident information, and property details
- Determine opportunities for improvement in the community
- Sync community operations with The CAMS Way™

THE CAMS WAY™

The CAMS Way™ is our tried and tested method for offering quality service to our clients. This includes:

- Consistently delivering on contract commitments
- Providing Trusted Guidance and ongoing learning and improvement opportunities
- Simplifying the responsibilities of our board members
- Using innovative technology and the CAMS Proven Process to ensure community success
